

Little Mountain

1,728 square feet, 28' x 32' with 14' prow

When perfect views count, the Little Mountain delivers. A huge elevated cedar deck is the ideal outdoor “room” for star gazing, coffee drinking, or family fun. A large great room with soaring cathedral ceiling and plenty of windows bring the outdoors in. This 1,728-square-foot design includes a study, two baths, and three bedrooms.
